

SU-17 INCIDENT REPORTING IS ESSENTIAL TO A HEALTHY SAFETY CULTURE

1 WHAT TO REPORT

- Injuries
- Close Calls
- Exposures
- Fires
- HazMat
- Spills

2 HOW TO REPORT

Go to su17.stanford.edu

3 WHEN TO REPORT

As soon as possible! And within the same day.

4 WHAT HAPPENS WHEN YOU REPORT

After you report, safety professionals will:

- Follow up and gather information
- Perform necessary analysis
- Assign corrective actions (if applicable)
- Promote learning and communications

**Taking these steps will help make
Stanford a safer place to work, study,
and conduct research.**

SERIOUS INJURIES

For incidents resulting in death, amputation, loss of an eye, disfigurement, and/or in-patient hospitalization, ***immediately call 650-725-9999***
